Titles Index

ACP abstracts introduction 5, 360
Abandonment in the physician-patient relationship 154
Abdominal pain and hematuria 52
Access to health care for persons with disabilities in RI: Results from the Primary Care Practitioner survey 139
Acute management of atrial fibrillation 94
Adult immunizations: Introduction 64
Advanced maternal age [poem] 346
Advances in Pharmacology 186, 375
Alcohol use by Rhode Island recreational boaters 11
Anticoagulation in atrial fibrillation 98
Anxious words of psychiatry 290
Arcana, the obscure, and the esoteric 224
Arterial dissection [Image] 216
Atrial fibrillation and flutter: Overview 92
Book review 122
Breast versus bottle: Educating family medicine and ob/gyn residents at Brown 142
Brown Medical School: Class of 2004 232
CME registration, questions [atrial fibrillation] 111
Capricious nature of eponymy 87
Cardiac resynchronization therapy experience at Memorial Hospital 362
Case of a painful knee 189
Case of chest pain 117
Case of chronic headaches 280
Case of fever 157
Case of persistent fever and odynophagia 243
Case series describing orlistat use in patients on psychotropic medications 375
Ceaseless wandering of words 194
Case of transient heart failure 189
Celebrating healthcare improvements in RI 378
Challenge of eliminating health disparities among RI's racial and ethnic minorities 380
Changing fashions in psychiatry 288
Chemotherapy for pancreatic cancer 132
Chronic pharmacologic therapy for atrial fibrillation and flutter 101
Classical origins of pus 162
Control of West Nile virus, RI 2003 84
Creative Clinician Case 77
Current thinking on viscosupplementation in osteoarthritis 213
DBS 62
Depression: A darkness at noon 3
Diagnosis and management of the patient with tremor 135
Direct current cardioversion for atrial fibrillation and flutter 97
Dobutamine nuclear myocardial perfusion imaging compared to dobutamine stress echocardiography as a prognostic test for coronary artery disease [abs] 7
Doctors vs. doctors 326
Double inlet left ventricle with transposition of the great vessels [Image] 182
Early surgical intervention for appendicitis in RI 369
Envisaging and applying a unifying three-dimensional theoretical framework for generalist physicians 336
Epidemiology of hospitalizations for sepsis in RI, 1990-2002 286
Evaluation of the neck mass 307
Evidence of effective screening mammography among RI women : Trends in socioeconomic status 251
Evidence of the effectiveness of endoscopic screening for colorectal cancer among residents of RI, 1988-2002 316
Exponential lethality: Upper limits on suicide risk assessments 146
Family medicine today 328
Fluorescent imaging of proteopodial extensions on murine bone marrow stromal cells [abs] 360
Folie a deux 2
Frequency of selected surgical procedures, RI, 1999-2002 50
Gastric bypass 36
Genetic aspects of osteoarthritis 210
Global burden of trachoma 91
Glucosamine for osteoarthritis: Part I, Review of clinical evidence 176
Glucosamine for osteoarthritis: Part II, Biologic and metabolic controversies 180
Goal 1: Healtht RI 2010 266
Goal 2: Public health emergencies 267
Goal 3: Public health data, science & information 269
Goal 4: Healthy homes & healthy communities 272
Goal 5: Healthy human development in RI communities: Improving family and community health 275
Goal 6: Quality improvement and regulatory compliance 275
Goal 7: Assess and build public health capacity 276
Goal 8: Infectious disease 277
Gossypiboma [Image] 149
Health by Numbers 18,50, 81, 115, 152, 183, 220, 249, 286, 314, 350, 380
Health care coverage in RI: Patterns and policies 350
Health risks and access to care among RI adults, 2002 183
Hepatocellular carcinoma 41
History of urethral catheterization 240
Home health quality initiative 150
Homelessness, health and advocacy 345
Hospital Case files 52, 117,157, 189, 220, 243,280
Hospital patient satisfaction: Minority views of the hospital experience 152
Hospitalizations by race and ethnicity, RI, 1990-2003 220
How an access strategy works 335
Hubbly-bubbly [Image] 279
Ignorance is bliss? An ethical question 126
Immunization rates among the elderly in RI 81
Incisive words of surgery 23
Index, 2003 25
Innovative strategies to improve access to primary care services for uninsured and underinsured RIers: RI family physician initiatives 333
